

Poetry Contest

Attention aspiring poets of all ages!

We are looking for talented young poets to compose poetry about kite-flying!

This year our festival's theme is "CRAFTed for Flight" to celebrate the art and beauty of kite flying. Three poems will be chosen from each grade level category: Grades 1-4, 5-8, 9-12. The selected poets will read their poem onstage at the Kite Festival.

They also receive a special ribbon and are invited, along with their families, to a reception later that evening.

Entries must be received by March 8, 2010. Winning poets will be notified by phone. Information can be found at www.kitefestival.org
